**JOHN PENNEY MEMORIAL SCHOLARSHIP  
SCOTT YOUNG MEMORIAL SCHOLARSHIP**

**Purpose:**

To establish a scholarship for a WSA junior member or a child of a member in good standing to help defray the costs associated with a secondary education.

**Eligibility:**

The applicant must be a current and active WSA junior member in good standing with a minimum 1 year history of participation in junior programs, or the child of an adult member, or legal guardian, in good standing.

**Application Criteria:**

The applicant must be a graduating high school senior, and formally apply using the current application. The applicant must also complete an essay on “where do I want to be in 5 years” and submit it to the Board of Directors of WSA no later than May 26 of the applicant’s senior year of high school. All applications and essays will be assigned a code number and all means of identification of the author will be removed before it is given to the judging committee.

#### Selection Criteria:

The essays will be judged by a committee of not less than 5 volunteer members of WSA. This committee will then present the top candidates' essays to the Board of Directors by the June meeting. The BOD will then make the final selection. Members of the BOD who are Junior Activity chairmen or coaches, as well as relatives of any applicants, must recuse themselves from the selection process to eliminate any possibility of "Conflict of Interest" in the final decision.

#### Funding:

The scholarships will be paid by fund-raising activities and an annual disbursement of \$500.00 from the WSA general fund not to exceed a total of \$3,500.00 FOR 7 SCHOLARSHIPS IN 1 Calendar year.

#### Notification:

All winners will be notified either by email or telephone call.

#### Disbursement:

The funds shall be presented in check format made out to the winner. The formal presentation should occur at the regular June monthly general member meeting immediately before the introductions of new members. The month of the presentation is subject to change.
